1. All prices INCLUDE GST. Excess data will be charged at \$90/GB except where noted. The setup cost may vary depending on building structure and the materials required. This service is terminated as Ethernet and Allegro retains ownership of all CPE used to deliver this. Professional installation charge of \$80 applies if a site visit is required to install the service.
2. Speed limited after 50GB has been consumed in a 30 day period. There is no charge for the excess data used at the limited rate.
3. Wireless and selected Smart Buildings only.
4. Only available in selected Smart Buildings.
5. 'Smart Building' installs available in selected buildings only. 50GB 'Standard' installs not available. 100GB 'Standard' installs on a 36 month contract only.
6. 'Smart Building' installs available in selected buildings only. 'Standard' installs available on a 36 month contract only.
7. IPv4 address space is allocated based on IANA and APNIC policies. Allocations in excess of 32 addresses will require engineering and possibly APNIC approval. BGP4 is provided free of charge but customers should be aware that this protocol will generate traffic for which the user may be charged (in the context of their selected plan).
8. Excess data will be charged at \$27.50/GB.
